THE COMPANY

ABOUT US

Techno Infracon Pvt Ltd is a rapidly growing company specializing in civil engineering and contracting services. As a leading contractor in the field, we take great pride in our ability to deliver exceptional results in various aspects of construction, including civil and finishing works, electrical installations, plumbing services, carpentry, and painting.

Headquartered in Navi Mumbai, Maharashtra, Techno Infracon Pvt Ltd has built a strong reputation over the past 30 years for its expertise in diverse areas of infrastructure development throughout India. Our portfolio boasts an impressive range of completed infrastructure projects, including shopping malls, residential complexes, commercial buildings, and IT parks.

We understand the value of competitive pricing in today's market. Therefore, we work closely with our clients, offering cost-effective solutions that meet their budgetary requirements without compromising on quality or craftsmanship. Our aim is to establish long-lasting relationships with our clients, based on trust, reliability, and mutual success.

Techno Infracon Pvt Ltd is driven by a strong mission to be a leading force in the civil construction industry. We continuously strive for excellence, embrace innovation, and prioritize customer satisfaction. With a focus on safety, sustainability, and continuous growth, we aim to shape the future of infrastructure development in India.

We invite you to explore the world of Techno Infracon Pvt Ltd and experience our commitment to delivering outstanding construction solutions that transform visions into reality.

INTRODUCTION

At Techno Infracon Pvt Ltd, we are committed to delivering exceptional civil construction services since our establishment in 1986. Our wide range of offerings, including Plumbing Contractors, Civil Construction work, Roads, Highways & Industrial Roads, Designing, Fabrication and Laying Service, Interiors, and Exteriors services, are tailored to meet the unique requirements of our valued clients.

Quality is paramount to us. We use high-quality materials and meticulous planning to ensure superior results. Our team of expert engineers and professionals holds extensive experience in the field of civil engineering. Under the guidance of our esteemed director, Mr. Banshnarayan Pal, we strive to achieve complete client satisfaction. Mr. Pal's expertise and leadership have propelled our organization to excel in delivering exceptional civil engineering services. To ensure optimal results, we utilize the latest and high-performance machinery and equipment in our operations.

We are proud to have built enduring relationships with clients across the country. Our commitment to client-centric service and continuous improvement drives us to exceed expectations.

Thank you for choosing Techno Infracon Pvt Ltd for your construction needs. We look forward to further enhancing our services and delivering excellence.

Best regards,

Banshnarayan Pal
